PROFILE

I am an enthusiastic front-end developer with an artistic eye. I enjoy learning new things both in programming and hobbies. I program in Javascript and know how to use React and Bootstrap. I utilize tools such as VS Code and Github.

SKILLS

- Front-End Development
- Responsive Development
- Javascript
- React.js
- Bootstrap

EXPERIENCE

STORE ASSOCIATE / PRODUCT STOCKER

Big Lots

2022 - Present

I provide excellent customer service in a busy environment and resolve concerns with the store manager's assistance. I efficiently restock products during truck weeks.

VOLUNTEER MUSICIAN

R.E.A.C.H. (Richland Early American Center for History)

2021

I played mandolin with the organization at various 18th-century re-enactment events. We would perform at South Park in Mansfield, Ohio, and help educate others at public events.

HOUSE-SITTER

Mansfield, Ohio

2020-2021

I house sat for my neighbor while she vacationed in Florida for a month each year. I would safety check the home, do light housework, check for leaks and other issues, and collect mail and packages.
